diabetes, heart diseases, autoimmunity and other modern diseases are rare or don't exist at all we are naturally lean and fit we are fertile throughout our childbearing years we sleep peacefully and deeply we age gracefully without degenerative diseases like Alzheimer's and osteoporosis While ...The pakoras ended up looking and tasting a lot like the ones from our usual take-out place. I only needed to make a few minor adjustments to get them just right.. These vegetable chickpea fritters are full protein, fibre and vegetables, so even though they seem like more of a side/appetizer/snack, they make for a satisfying meal too. Your above quote is particularly disturbing and false. I challenge you to find one 'humane' farm. There is nothing humane about killing- and all of the meat you eat has been killed; so how is that humane?The Veg Vs. Non-Veg Diet Debate - . 22 January, 2012 | Ajay Bijesh Issac | Reply This isn't a very good idea cause we are aiming @ the conclusion of which is better -veg/non-veg but it doesn't make sense when you say that lets put an end to the debate and diverting from the introduction - "A crazy debate that has raged back and forth about the inadequacies of a vegetarian diet versus hazards ...
