These are the essays that shaped Laurence Gonzales's unique voice and insight for such best sellers as his *Deep Survival*. From the depths of a maximum security prison to the cancer ward, from the insane asylum to the World Trade Center, Gonzales puts you there in the middle of the action with a skill that grips you from the first sentence. *Traditional Mountaineering* provides information and instruction about alpine mountain climbing safety skills, gear, off trail hiking and light weight backpacking, photographed on actual mountaineering adventures. An amazing story of survival is playing out in Chilean mine as 33 men, trapped for about three weeks, face as much as four more months underground. We answer the basic questions.???
