How to advance your career with IDF courses. Attend lessons at your own pace. Each week throughout the course, you get access to a new lesson, but you can move through the lessons at your own pace. This means you can learn before you leave for work, or in between breaks — in as little as 15 minutes per day. Study Hacks Blog Beyond Passion: The Science of Loving What You Do January 23rd, 2010 · 173 comments The Great Career . Laura loves what she does. To many people, myself included (I've known her for the past five years), she represents the Platonic ideal of a great career. The very act of making decisions depletes our ability to make them well. So how do we navigate a world of endless choice? "I sustain myself with the love of family." ?Maya Angelou. Last night, an old friend from high school – a hometown success story and entrepreneur who owns and operates a large publicly traded company – a man whom I have a great deal of respect for – came over to our home for dinner.
