My personal favorite from the list is the Kyocera Ceramic Coffee Grinder. This mill is robust, easy to use, and competitively priced. Attractiveness is to some extent subjective, of course, but I like the Kyocera's sleek and modern appearance and find that it fits well with my kitchen's look. Quiseen One-Touch Electric Coffee Grinder. Grinds Coffee Beans, Spices, Nuts and... Hand made and individually tested in the Netherlands, the Moccamaster coffeemaker brews a perfect cup of coffee in only six minutes. A copper heating element ensures water stays at the perfect temperature from the brew cycle's beginning to its end. Care. Hand-wash the carafe, the removable filter holder and the permanent filter with warm, soapy water. The carafe is also dishwasher safe. Wipe clean the coffee maker with a damp cloth or sponge.
